# DĒZL™ HEADSET 100 AND DĒZL HEADSET 200

## PREMIUM TRUCKING HEADSET SERIES

NEW PRODUCT  
ANNOUNCEMENT

### PRODUCT OVERVIEW:

For professional long-haul drivers who want to hear better, talk longer and truck smarter, the dēzl headset 100 and dēzl headset 200 series from Garmin brings a new level of clarity and performance to high-end highway audio. Available in single-ear or two-in-one convertible models, these premium headsets are engineered for audio excellence in noisy environments. Active noise cancellation (ANC) in each ear cup, as well as the adjustable boom mic, enables crystal-clear communication while on the road. High-quality materials and plush memory foam ear pads ensure all-day comfort and durability. Additionally, you can use the headset with a dēzl™ LGV truck sat nav (sold separately), allowing navigation prompts to seamlessly blend into the headset audio stream while you keep your eyes on the road ahead.
